Scope and Content
Wirthlin's journal entries in this series cover the periods starting and ending November 1975, May 1978-July 1979, January 1980, February 1989-January 1992, and May 1996-January 2005, with many gaps within those five sets of dates. The binders that housed these journal entries also contained 1975-1984 Wirthlin scrapbook materials, including photographs, correspondence, clippings, etc., although some additional such materials for those years are also found in his scrapbook mentioned above.
The entries in Wirthlin's journal document his headquarters experiences as a member of the presiding quorums of the Church, his area supervisory assignments, his worldwide travels to visit stakes and missions, and his family activities.
